

Apple Help

Got a question about Apple devices? Such as: iPhone, iPad, iOS, MacOS, Watch, etc.

How about Apple applications? Such as: iTunes, Safari, Pages, Numbers, Keynote, FaceTime, iMovie, Mail, iCloud, etc.

The "Help" menu in any Apple application will have a search option as well helpful resources.

Additionally, you can visit google.com and type in your question to get a quick, up-to-date answer.

LinkedIn Learning with Lynda.com content

You can also get more information about how to use many Apple products by searching our [LinkedIn Learning with Lynda.com content](#) campus subscription. Login with your ValpoNet credentials.

Examples

1. Configure Mail with a Valpo email
2. Setup the Calendar app for a Valpo account
3. Remove a profile from iPhone
4. Use app-specific Gmail passwords on iPhone
5. MacOS Sierra tips and tricks

And much more!

Still need help?
