

Access WebEx Recordings for Streaming Courses

To watch recordings of class lectures for MBA Live, Nursing Live!, MHA Live, or VUCA Live courses, follow these steps.

Step-by-step guide

1. Log in to Blackboard Learn at blackboard.valpo.edu with your ValpoNet credentials and click on your class from the class list.
2. Click the MBA Live, Nursing Live!, MHA Live, or VUCA Live folder on the left side of your screen.
3. Inside, click the Archived Classes folder.
4. Click the link for the date and segment of class you want to watch.

When watching over a Wi-Fi connection, the video may take time to buffer. Reduce buffer time by connecting directly to your home router via a hardwired Ethernet connection.
