

Adobe Help

Got a question about any Adobe applications? Such as: Acrobat, Reader, Photoshop, Illustrator, InDesign, Lightroom, Dreamweaver, Premiere Pro, After Effects, Creative Suite, Audition, Flash Player, Encore, Shockwave Player, etc.

The "Help" menu in any Adobe application will have a search option as well as a link to the online support center.

Additionally, you can visit google.com and type in your question to get a quick, up-to-date answer.

LinkedIn Learning with Lynda.com content

You can also get more information about how to use many Adobe products by searching our [LinkedIn Learning with Lynda.com content](#) campus subscription. Login with your ValpoNet credentials.

Examples

1. An "insufficient memory" error in Adobe Creative Cloud Software

And much more!

Still need help?
