

FAQ - Guest and New User Information

New on campus? We've got answers to your questions.

Question:

Is access available for guests or visitors?

Answer:

Yes! Our secure wi-fi system allows [limited internet access to guests](#) who connect their laptops or mobile devices.

In the Christopher Center Library, guests may use computers and have access to printing.

We have [more information on our website](#).

Question:

I'm a new student/employee. How do I get started on the right track?

Answer:

Check out the Getting Started Guides for the basics of what you need to know.
